

1/3

Influence of L on the tumor growth inhibitory effect produced by cisPt

a.) 1 qd

FIG. 1

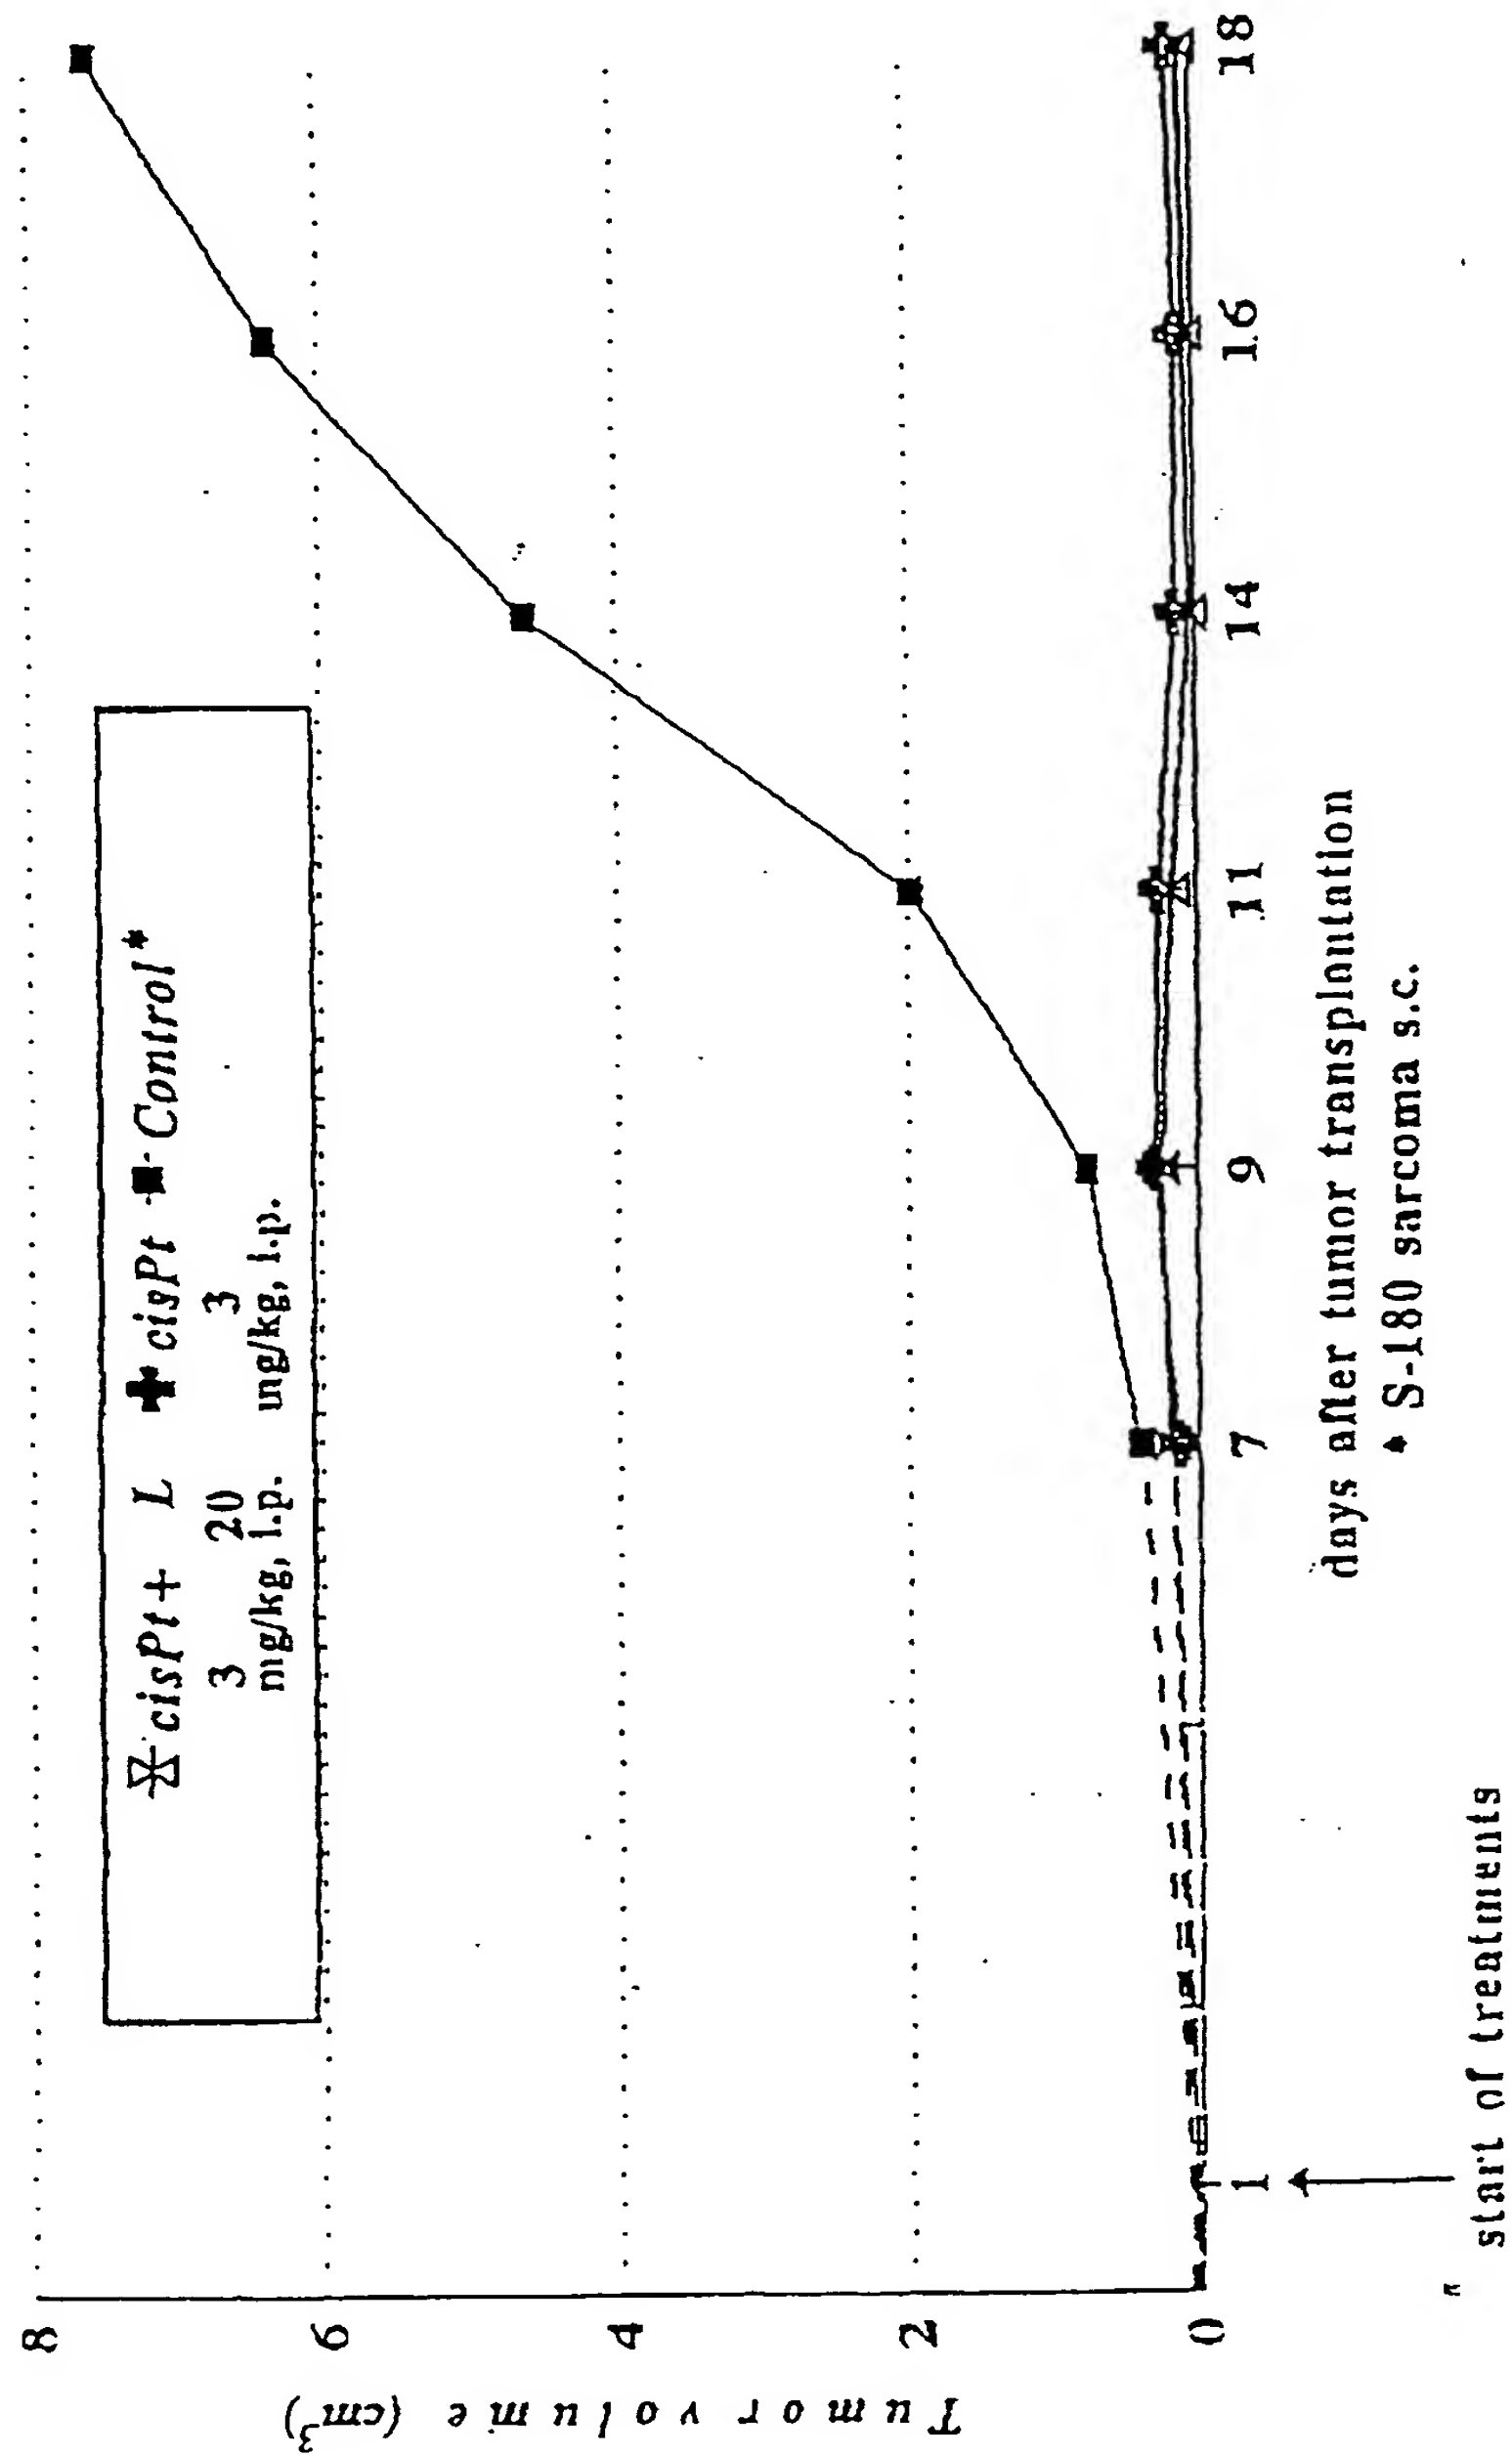

2/3

SUBSTITUTE SHEET

Influence of L on the tumor growth inhibitory effect produced by cisPt

b.) Repeated (5qd) treatments

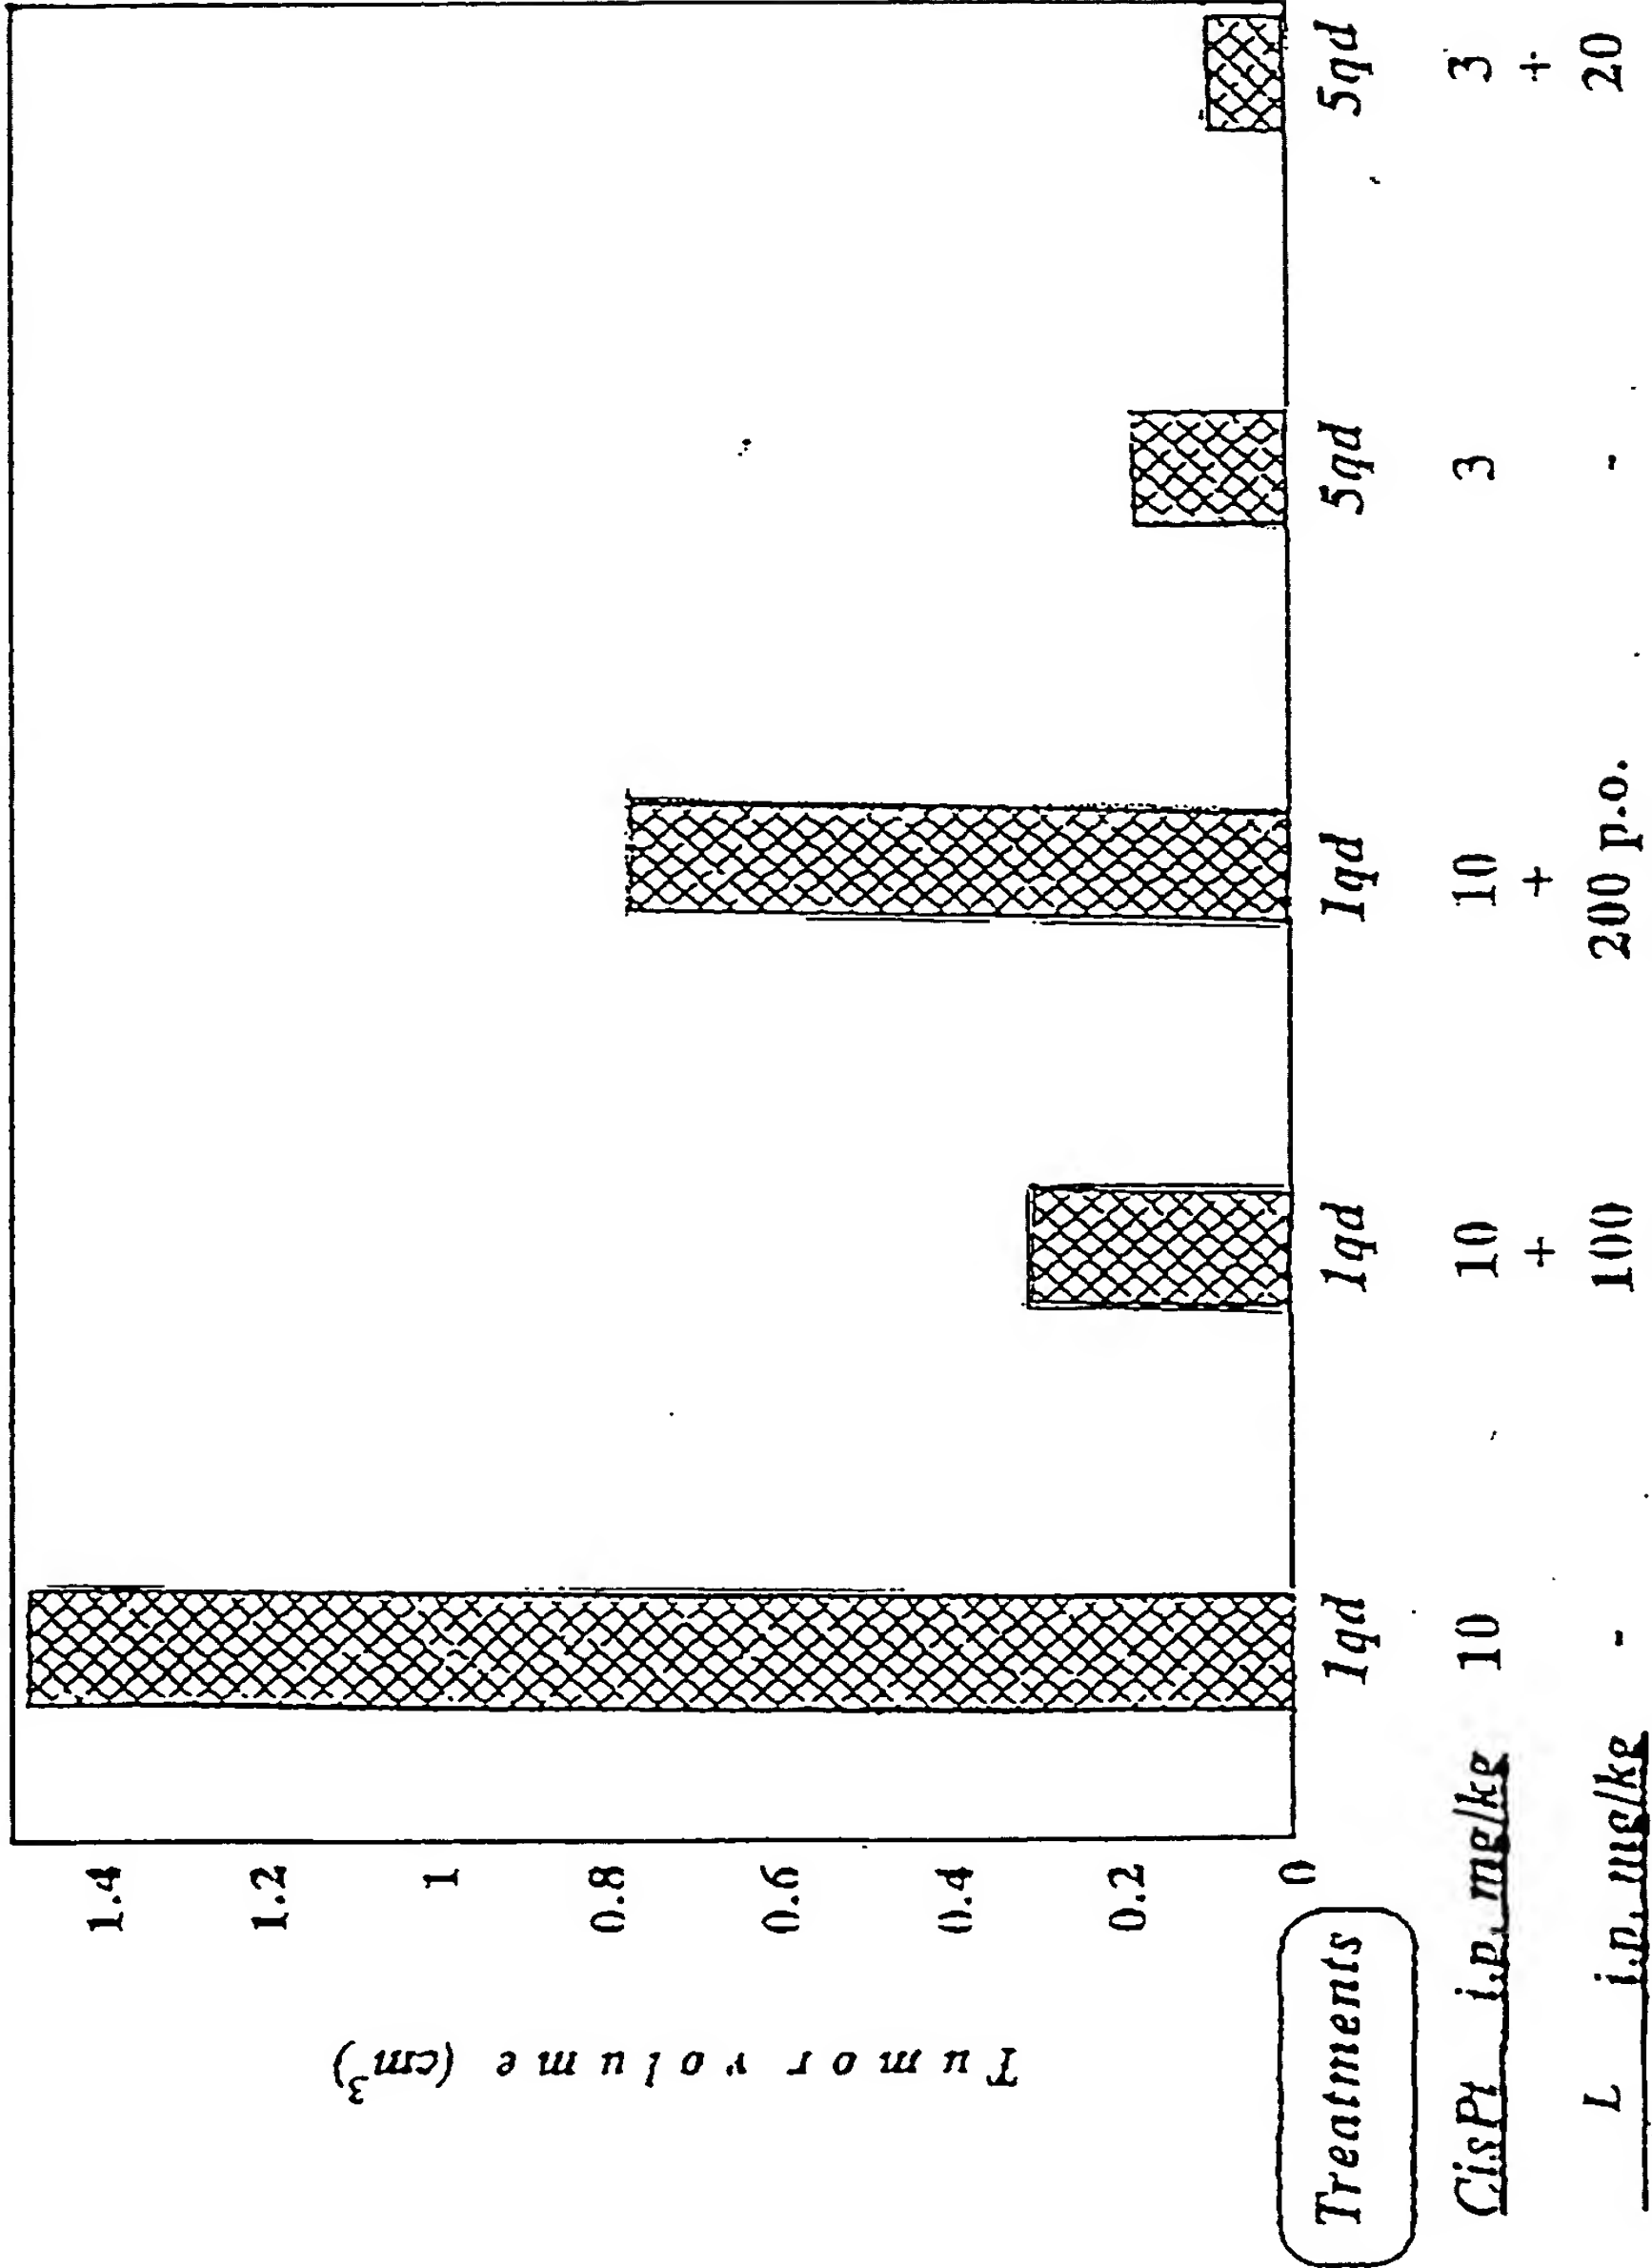

FIG. 2

20220" 5504800" F

The tumor growth inhibitory effect of cisPt in comparison with mixture of L + cisPt on day 18 after S-180 tumor transplantation

FIG. 3

Data were derived from experiments reported on Fig. 1 and Fig. 2.
